# Organisational culture

*While it's true that culture is very powerful, it works best in relationship with vision. Another way to say is that while culture is what gets you to your destination, vision determines the destination!*  
**John C Maxwell**

## Culture recap

Corporate culture refers to the beliefs and behaviours that determine how a company's employees and management interact and handle outside business transactions.

# Why does organisational culture often fail?

## **Lack of leadership**

When HR creates an initiative with no leadership buy-in.

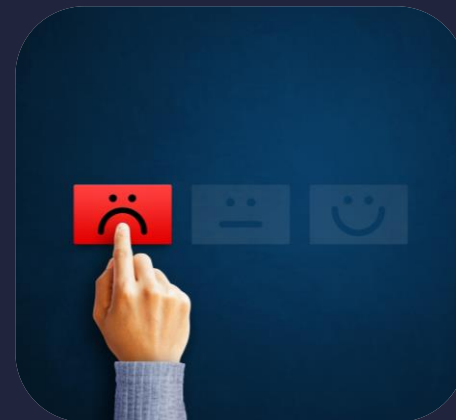

## **Culture is not a strategy focus**

Strategic alignment is missing.

## **Lack of commitment**

The employees and leaders have no commitment.

## **Lack of momentum**

There are no rewards or consequences in place.

# Why does culture matter?

Employees tend to enjoy work when their needs and values are consistent with those in the workplace. They tend to develop better relationships with co-workers and are even more productive.
