Creating a vision and purpose

Vision explained

A vision statement is like a photograph of your future business, which gives your business shape and direction.

Mission explained

A mission statement defines what an organisation is, why it exists, its reason for being.

Question

**Does your current
company mission
and vision
resonate with
you?**

Vision and purpose

Values:

Company values, also known as corporate values or core values, are the fundamental beliefs upon which your business and its behaviour are based.

Purpose:

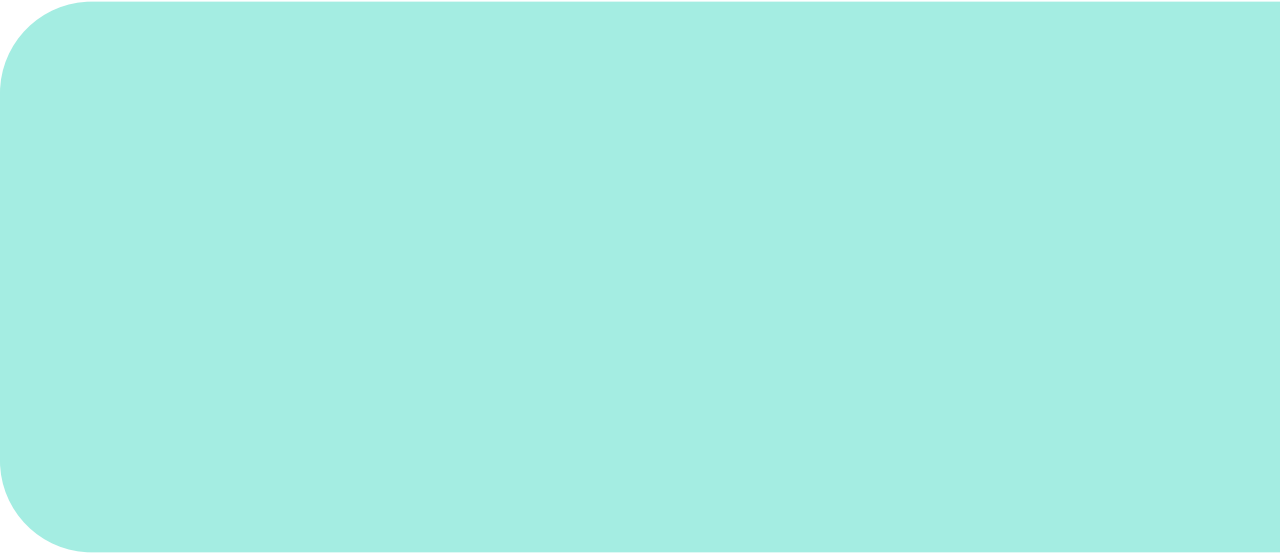

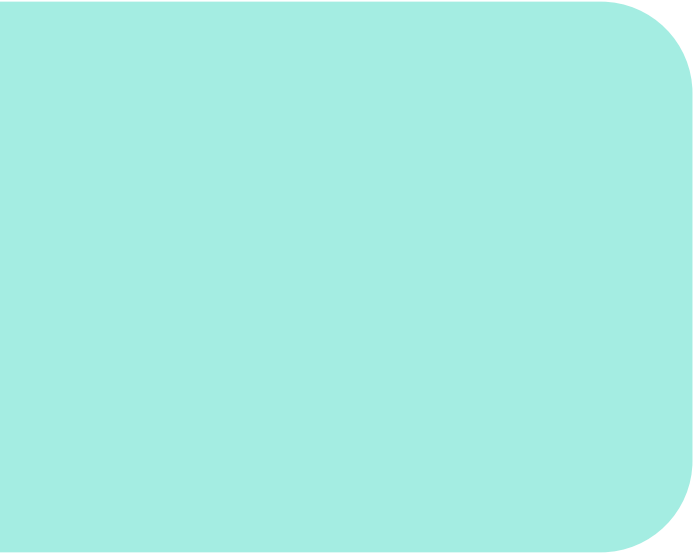

Your business purpose is the reason you have formed your company reduced to and summarised in a single sentence (or two).
