**Present
information
effectively**

According to most studies, people's number one fear is public speaking. Number two is death. Death is number two.

Does that sound right? This means to the average person, if you go to a funeral, you're better off in the casket than doing the eulogy.

Jerry Seinfeld

How to make a good first impression

Be on time.
Too early is
better than too
late.

Dress to
impress.
Take care of
your clothes
and your overall
grooming.

Be prepared.
Do your
research and
practice!

Consider
non-verbal
methods.
Friendly and
confident can
get you very far.
