Discuss leadership and diversity <

Objectives

A diverse group of smiling business professionals in an office setting. In the foreground, a woman with dark curly hair and a beige blazer gives a thumbs-up. To her left, a woman with glasses and a light blue shirt smiles. In the background, other diverse individuals are visible, including a man with glasses and a grey blazer, and a woman with short grey hair and glasses. A large teal circle with a white center is in the bottom right corner.

A lack of diversity in the leadership of an organisation hampers innovation, prohibits members of minority groups from being recognized for their contributions, and fails to meet client expectations.

**Did you
know?**

Gender-diverse companies are more likely to perform 15% better than non-diverse companies.

Leadership and diversity

Did you know?

- Companies with leadership in the top quartile for racial and ethnic diversity were 35% more likely to have financial returns above their industry median.
- Companies with executive teams in the bottom quartile for both gender diversity and racial and ethnic diversity were 29% less likely to achieve above-average profitability.

‘When we listen and celebrate what is both common and different, we become wiser, more inclusive, and better as an organisation.’

Pat Wadors

The link between diversity and leadership
